NOTIFICATION.

GENERAL.

Simla, the 24th September 1875.

No. 1952, G.—The following despatch from Her Majesty's Secretary of State for India, No. 107 dated 19th August 1875, giving formal intimation of the intended visit of HIS ROYAL HIGHNESS THE PRINCE OF WALES to India, is published for general information :—

To His Excellency the Right Hon'ble the Governor General of India in Council.

MY LORD,

Para 1. I have to convey to you formally the information which Your Excellency has already received by telegraph, that it is the intention of His Royal Highness the Prince of Wales to visit the dominions of Her Majesty in the East. I am assured of the pleasure with which Your Excellency will welcome His Royal Highness.

2. Your Excellency will receive in due course intimation of the dates fixed for His Royal Highness' departure from England and arrival in India, and of the numbers of the suite by which he will be attended.

3. Your Excellency as Viceroy will represent Her Majesty in receiving His Royal Highness with all the honors befitting his exalted rank, and Her Majesty's Government feel assured of the earnest and loyal desire of Your Excellency and of all Officers under your control to omit no circumstance which can contribute to His Royal Highness' comfort in visiting, as far as time allows, all that is most interesting in those provinces of the British Empire in the East which are under your control.

4. The sojourn which His Royal Highness purposes to make will only be sufficient to bring before him a small portion of the vast multitudes of various races who live directly under English rule. But he will doubtless have presented to him many of the most eminent Officers, Civil and Military, European and Native, who, under Your Excellency, bear rule among them, and he will see some of the most important divisions of that great army to which the defence of the Empire is confided, and in which His Royal Highness now bears the highest rank.

5. His Royal Highness will have the opportunity, which he will highly value, of personally conveying to the Chiefs and Princes who rule in India under the paramount protection of the Queen of England the assurance of those gracious sentiments which have ever been entertained towards them by His Royal House.

6. Her Majesty has been graciously pleased to mark her sense of the importance and dignity of the occasion by empowering His Royal Highness to hold a special investiture of the Order of the Star of India, of which Your Excellency is Grand Master.

7. At this and all other ceremonials Her Majesty's Government feel assured that the supreme authority with which Your Excellency is invested as Her Majesty's Representative will enable you to shew how highly you estimate the proof of Her Majesty's good will and Her confidence in the loyalty of Her Indian subjects which are afforded by Her sanctioning the visit of the Prince to India.

I have, &c.
